FOR IMMEDIATE RELEASE

GHANA INVESTMENT PROMOTION CENTRE UNVEILS ENHANCED WEBSITE FOR SEAMLESS INVESTOR EXPERIENCE

The Ghana Investment Promotion Centre (GIPC) has launched an upgraded website that offers a more user-friendly interface, improved design, and enhanced functionality, catering to the needs of investors. This revamped platform aims to provide essential information and facilitate better interaction between users and the GIPC, streamlining the process of finding information and establishing contact.

The GIPC recognizes the importance of equipping stakeholders and partners with necessary information to make informed investment decisions. The introduction of the new website represents a significant stride towards achieving this objective.

To explore the resources provided by the GIPC, please visit our newly enhanced website at www.gipc.gov.gh
